- **Gifted Development Center** - Since 1979, The Gifted Development Center (GDC), a service of the Institute for the Study of Advanced Development, has served as a resource center for developmentally advanced children and their parents, and for gifted individuals of all ages. We provide in-depth assessment, counseling, consulting services and innovative materials. GDC provides true expertise and experience with gifted issues and the unique perspective of looking at giftedness from the inside--as advanced awareness and emotional intensity--as well as often being out-of-sync with the rest of the world.

- **Wisconsin Center for Academically Talented Youth** - The Wisconsin Center for Academically Talented Youth is the only organization working with the state's most promising students on a year-round, statewide basis. Founded in 1991, WCATY provides a unique set of services to children from elementary through high school. We believe in their importance individually. We believe in their importance as a group, as potential leaders in our communities and professions. Their future is our future.
