Service...Above and Beyond

February 7, 2019

Dear CESA #4 School Districts:

Welcome to the CESA #4 Program and Services Catalog for 2019-2020! We are excited to once again offer a variety of services and programs specifically designed to support the initiatives and goals of our member districts.

To sign up for programs or services, please copy the catalog pages for the specific programs and services you desire, check the box to indicate the service level you wish to contract for, sign the catalog page, and send the signed copies back to the attention of Michelle Kotek either via e-mail or on the CESA van. Please return your service selections by April 5, 2019, if possible, although we understand this due date may not work in all cases. Michelle will compile a Summary Master Contract of purchased services and return the list to you for approval. We ask that your signed Summary Master Contract be returned to CESA #4 by May 17, 2019.

If you have a need which is not addressed by a service or program offered in our catalog, please let us know. The CESA #4 staff will be happy to work with you to create and deliver the service needed to meet your unique district needs. Our goal at CESA #4 is to provide SERVICE. . . ABOVE AND BEYOND. We are committed to providing high-quality, relevant educational opportunities to educators and in supporting member school districts in their efforts to improve learning for all students. We look forward to having the opportunity to serve your district in 2019-2020.
